

-
- The image shows a stack of three books. The top book has a light grey cover with a subtle geometric pattern of small circles and squares. The title 'Lemonade' is printed in a large, white, serif font. Below the title, there's a smaller line of text that appears to be 'by Lulu Lemon Athletica'. The middle book is mostly obscured by the top one but seems to have a similar design. The bottom book is also mostly obscured but has some faint, illegible text at the top.
